models	series	pcs MOQ	days lead time

What we control in-house

- **Own moulds**
  Colour and structural changes do not need a new mould — and do not wait for a third party.

- **One line, one QC**
  Moulding, assembly and packing in one plant; each batch checked before cartoning.

- **Retail-ready packing**
  Your logo, Pantone, colour box, barcode and master carton — confirmed in writing.

Product range

Eight series — same nozzle and seal logic, so one supplier covers garden, cleaning and car care.

Selected models (FOB Ningbo, USD)

Model	Capacity	Pcs/ctn	500 pcs	1,000 pcs	3,000 pcs
ZS-A1-2L	2.0 L	20	5.50	4.73	4.26
